## **RSA OPENS OFFICE IN LUXEMBOURG LED BY RICHARD TURNER**

RSA Insurance Group has today opened its new office in Luxembourg as part of its preparations for the UK's exit from the European Union. The office, located in RSA Luxembourg SA, 40, rue de Cure, L-1368 on 3 September will provide a platform for RSA in Europe post-Brexit, minimising disruption to RSA's business with EU-based customers and ensuring the business continues to serve UK customers' needs in Europe.

The office will be led by Richard Turner who previously oversaw RSA's EU business from the UK, and has relocated to Luxembourg to take up the director role for RSAL. His team will operate from Luxembourg and across Europe, with new appointments within his team to be announced shortly.

**Richard Turner, Director RSA Luxembourg said:** "RSA Luxembourg demonstrates our commitment to the European Union. Our investment in this office showcases our commitment to continuity for our customers and other business partners across the EU post Brexit. "
