Dear Sir/Madam,

### **Proposed transfer of business in response to Brexit**

Our records show that your company (and/or its predecessor entities) or another entity within its group (and/or their predecessor entities) has acted or is acting as a lead insurer on behalf of the United Kingdom's (**UK**) establishment of Royal & Sun Alliance Insurance plc (**RSAL**) insuring whole or in part risks located in the European Economic Area (**EEA**) states other than the UK (the **London Business**).

We are writing to provide you with important information regarding the proposed transfer of the London Business, as well as certain other business, to RSA Luxembourg S.A. (**RSAL**), a subsidiary of RSAL incorporated in Luxembourg. RSAL is authorised by the Luxembourg Minister of Finance and supervised by the Commissariat Aux Assurance (**CAA**), the Luxembourg insurance regulator.

The proposed transfer is subject to regulatory and legal approvals and, if approved, is currently expected to take effect immediately following midnight (UK time) on 1 January 2019.

Please note that, due to the complications of the split of the London Business between the risks located in an EEA state other than the UK and the risks located in the UK or another non-EEA jurisdiction, RSAL will contact you regarding the proposed future business arrangements, in due course. For the avoidance of doubt, and business agreement(s) (or similar agreement(s)) entered into with RSAL will not be automatically be transferring to RSAL, either in whole or in part.

### **Background**

As a result of the UK's prospective withdrawal from the European Union (**EU**) (commonly known as "Brexit"), RSAL is taking the necessary steps to establish a new legal entity in Luxembourg, RSAL, and proposes to transfer the London Business and certain other business to RSAL. These changes are required to ensure that we are able continue to service our European business following Brexit. If the proposed transfer does not take place and the UK does withdraw from the EU, then it may not be legally permissible for RSAL to pay valid claims in respect of its EEA risks following Brexit.

### **The transfer process**

The proposed transfer is being effected under UK law through an insurance business transfer scheme (**Scheme**) pursuant to Part VII of the UK Financial Services and Markets Act 2000.

RSAL and RSAL have approved the Scheme and have consulted closely with their regulators in the UK, the Prudential Regulation Authority (**PRA**) and the Financial Conduct Authority (**FCA**), and in Luxembourg, the CAA. The PRA, after consulting with the FCA, has approved the appointment of an

Independent Expert who, in accordance with UK law, is required to review the Scheme and report on its impact on policyholders and other interested parties. A summary of the Independent Expert's report is provided within the enclosed booklet.

For the Scheme to become effective, the High Court of Justice of England and Wales (**Court**) must sanction the Scheme. The Court hearing for this purpose is expected to take place on 29 November 2018 and it is proposed that the Scheme will take effect immediately after midnight (UK time) on 1 January 2019 (the **Effective Time**).

### **Why are we writing to you?**

We are writing to you primarily to inform you about the proposed transfer of the London Business, to RSAL.

We are also writing to you because you may have clients whose policies, claims or contracts are proposed to be transferred to RSAL pursuant to the Scheme and you may receive queries from them (including those who hold expired policies) regarding the Scheme. The information in this letter and its enclosures should provide you with the information you need to respond to these queries.

We propose to write to all policyholders with in-force policies and/or current claims, either through data held on our databases (including where we have been provided with addresses by you), or by a communication from you. Therefore, some clients of yours may receive notification of the Scheme, however other clients of yours, for example those that hold expired policies and who do not have open claims, may not receive notice of the Scheme from us but may still contact you with queries regarding the Scheme.

### **How does the Transfer affect you?**

If the Scheme is approved by the Court, the Scheme will not change any arrangements which you may have with your clients.

The Scheme will split your existing clients' policies and substitute RSAL as the insurer for the risks located in an EEA state other than the UK in place of RSAI. RSAI will continue to insure any risks located in the UK and non-EEA jurisdictions. Your clients will, therefore, be a policyholder of both RSAI and RSAL. This split will have no other effect on the cover provided under the policies or claims, and your clients will continue to have the same rights, benefits and obligations and be subject to the same terms and conditions, including all applicable policy limits, as before.

### **What do you need to do?**

We would encourage you (and any of your clients that you believe may be affected by the Scheme) to read the information provided in this letter and its enclosures carefully so that you (and your clients) can consider the implications of the Scheme.

We enclose with this letter a copy of the letter and policyholder information booklet that we have sent to transferring policyholders. The policyholder booklet should be sufficient to address many of your clients' queries. If your clients have queries which cannot be answered by referring to the commonly asked questions section of the policyholder booklet, please direct your clients to the contact options in the "Further Information" section below.

If you believe that you would be adversely affected by the proposed scheme, you may raise concerns with us in writing or over the telephone and we will make a record of your concerns and communicate

these to the PRA, the FCA, the Independent Expert and the Court. You are entitled to have your objections heard and/or make representations at the Court hearing to sanction the Scheme in person or by counsel.

The Court hearing to sanction the Scheme is currently scheduled to take place on 29 November 2018 at The Rolls Building, Fetter Lane, London, EC4A 1NL. Updates on the Court hearing will be made available on [www.rsagroup.com/brexit](http://www.rsagroup.com/brexit) (the **RSA website**), which will be updated should the Court hearing date change.
